

# About Us

Foshan Guanling Home Appliances Co., Ltd. ("Guanling"), founded on October 22, 1999, is a leading manufacturer in the electric fan industry with over 20 years of expertise. Our 28,000-square-meter facility in Foshan, China, includes 20,000 + square meters of dedicated production space, housing advanced departments for:

- Punching
- Injection Molding
- Motor Manufacturing
- Blade Production
- Final Assembly

We specialize in integrated R&D and manufacturing of high-performance ventilation products and obtained KC and CB certificates, including: Floor Fans/ Table Fans/ Wall Fans/ Oscillating Fan/ Ceiling Fans/ Exhaust Fans/ Custom OEM/ODM Solutions

Guanling owns and operates three renowned brands:

- Guanling
- Meijingyi
- Kunling

## Commitment to Excellence

Through rigorous quality control, continuous innovation, and customer-centric service, we deliver:

- Superior product durability
- Energy-efficient designs
- Industry-certified performance

To better serve our global clients, we established Foshan Logan Co., Ltd. to handle overseas inquiries and order processing. Moving forward, we will continue expanding our product range to meet our customers' evolving needs.
